Dear Schone

I got your letter by Mr. Gaber Amm

not pass my business into his hands -
but explain matter subs favorably to him - &
will be to write to Mr. Gaber - to day - I will
you by the next mail -

I wish you had stayed at the long don't be
more & explain as to the - duties to be assumed
& the equivalent - compensation - I need not
tell you that I am not occupying - in
days to come & that you are also well informed
that it is very important to me just now
make any - labours as profitless as possible
it would be a great sacrifice to leave
Boston - & to be so far from friends
& to leave my present pupils - but all these
must be with me at present - minor con-
siderations - I have just commenced -
a quarter - time - which I must finish - at
any rate of but I should am at liberty - No
but has been any arrangement to be
at the May before that time I ought not to
think of leaving school - as I have some young
ladies with me - who are finishing - & when
comes a right & to expect me to finish the term
myself with it to if the matter ends

~~It is the old long don't his friends think it
worth while to wait for me - 10 weeks -~~
~~I would say further -~~ What I am please-
~~ably~~ ~~interested~~ in Roxbury - with about
as full friends - & can be in Boston as much
as I please - My school - is - has been run
the last year worth \$800. - so out of what I
must pay ~~rent~~ & board & other expenses -
but I have a right to expect that the school
will be much more profitable - during the
current year -
